9<sup>th</sup> February, 2021.

Dear Parents,

As you know, this week we are concentrating on building character muscles and all our afternoon lessons are focused on developing these. During my assembly yesterday, I set the children a competition where they will need to use three character muscles. The competition is a photography one and I have asked them to take photographs of amazing things they see this week and then send me the best **one** as an entry.

### The children will be expected to use the following character muscles for the competition:

1. **Curiosity** – I would like the children to use curiosity to seek out interesting things in the world around them. They can zoom in on something that might be usually overlooked as ordinary, find a favourite building or vehicle to photograph, find something in the natural world or take a picture of anything else that amazes them.
2. **Perseverance** – I would like the children to send in their best picture and not just the first one they take. Keep searching through the week and when an amazing thing is found, take lots of pictures to find the best. You could also edit the picture using computers to make the image even more special. Keep working hard and don't settle for the easy option.
3. **Enthusiasm** – I want to the children to be positive and enthusiastic when search for amazing things. If art is not usually their thing, try and encourage them and praise them for being enthusiastic.

### How to enter

Please sent the children's entries to me via their teachers on Seesaw or to the office email address.

### Winners and Prizes

A winner will be chosen over half term and announced when we are back learning on 22<sup>nd</sup> February. The their will be a winner in each class and their photo will be made into a printed piece of art to go up around the school permanently. There will also be a prize for the class winners that will be sent home.

I hope the children enjoy this competition and can't wait to see what they send in.

Yours faithfully,

Matt Yandell,  
Head Teacher.
